ECONOMIC INTELLIGENCE COMMITTEE

Control No. 489547  
EIC-D-357  
6 February 1959

MEMORANDUM FOR: EIC Representatives of the USIB Agencies, the Departments of Agriculture and Commerce, and the International Cooperation Administration

SUBJECT: Transmission of Working Group Draft of EIC-R14-S6 for EIC Approval

1. Attached for your review is the Working Group-approved draft of EIC-R14-S6, "Sino-Soviet Bloc Economic Activities in Underdeveloped Areas, 1 July - 31 December 1958." An EIC meeting for the purpose of discussing and approving the report prior to publication will be held on 11 February 1959 at 1000 hours, Room 1121 M Building.

2. The draft, as presented, has been reviewed and approved by the Working Group for substantive accuracy and general form of presentation. It has also been reviewed by the Secretariat for internal consistency and by an editor for technical format and consistency. Because of the time pressure under which this report is produced it is hoped that the EIC will agree, as in the past, to delegate the Executive Secretary the authority to make appropriate editorial changes in an EIC-approved draft so that the report may be expeditiously prepared for reproduction. Under these conditions, then, it is intended that the EIC meeting of 11 February will be concerned with substantive problems; editorial comments may be passed to the Secretariat directly without requiring full Committee discussion.

50X1
